Party regulations

Dress code is required

- Some sort of a costume/character is required!!!

OUTDOOR POLICY

- The party is mostly **OUTDOOR**, all spaces are heated! Pls prepare for the COOL party and bring some blankets/water resistant shoes/boots for yourself. Or get fat enough for the party to be able not to freeze XD
- The party is outdoor as it is a virus season and we don't want anyone in the house who goes to school/kindergarten/public transport. Our kiddo doesn't have all vaccinations yet, so no questions asked, just respect our policy. Plus, also stay home if you suspect being ill or contacted someone with covid recently. BUT, a terminid attack is NOT considered as a legitimate reason to stay home.
- Only infants/toddlers and their care givers are allowed to go inside of the house.
- This policy might change and we will place all kids indoors if it is not comfy enough.

MANDATORY PARTICIPATION

- **SHOW OF TALENTED MONSTERS** - special time when **the participants are OBLIGATED** to show smth entertaining (**1+ person per household should participate**), either play a musical instrument(piano provided)/dance/perform/show/cite a poem/joke/news, read an interesting fact. You name it. Zero tolerance to accusations or violence!

Spaces

- **Studio Boo** (Frontyard) - will be a heated space with a camp fire, chairs and a tent. Designed for adults, as they should be **a bit smarter** not to jump on the road!
- **Studio Boo RV** (Frontyard) - heated RV to chill for people who are freezing. Perfect for board game time. Games will be provided. Feel free to bring your games.
- **Studio Bee** (Backyard) - will be heated, designed for kids, a cinema set up space. Kids should follow a set of safety rules there. No sitting on the rails, no fights, violence or accusations - violators will be prosecuted(exclusion from S'mores time or asking to leave).
- **Studio Gee** (Garage) - heated place with food/booze/coach/board games space.
- **Restroom** - will be accessible via garage.
- **Parking** - street parking available
- **Infant safe space** - the only space in the house available - will be opened for **infants** and their care givers. Toddlers are allowed in the house too, but should be supervised =)
- **Inside of the house** - is NOT available. The **kitchen** will be accessible for a quick food heat up, but consider having everything ready for the party without using it. The house will be opened only for infants and their care givers. Toddlers are allowed in the house too, but should be supervised =)

What to bring

- Good mood and yourself in a costume. Some sort of a costume/character is required!!!
- Food - Potluck style - pls bring some food/snacks/drinks to share and put it on the tables in Studio Gee. There will be 2 tables marked VEGETARIAN/NON VEGETARIAN. Don't assume the kitchen will be available for you. Quick warm up - yes, quick unpacking serving - yes, oven usage - only asked in advance.
- Optional - Blankets - pls bring some for yourself, we won't have enough for everyone. The spaces are outdoor, so it might get chilly by the evening.
- Consider having boots for wet weather.
- Optional - Camp chairs - bring a couple if you have. You can leave them in your car and use them if we don't have enough for everyone.
- Optional - Board games. Never got to board games at a Halloween party, but you can bring some...

Policies:

- If you support the Ukraine - Russia war, or think of it as a Special Military operation, or believe in russian propaganda - pls speak up in advance, we will take measures to dis-invite you forever.
- Zero tolerance to accusations or violence!
- Consider keeping an eye on your kids from time to time, as backyard Studio Bee has rails that we are working to make safe. We also will set strict rules, but kids are kids. Any kiddo that doesn't obey the rules will be excluded from the S'mores time, or can be asked to leave if their behavior endangers others.
 - Rules in Studio Bee : No sitting on the rails, no fights, violence or accusations.
